Engineering Manager

Conformity Attestation

No.: KIWA-21-DW-10135

of the certification body

regarding the suitability of products for drinking water

hygiene – P1

Product: **Containers and tanks (P1)**
Structural commercial tanks
Temperature 23°C and 60°C
Colours: Green, Blue, Gray, Black, White, Anthracite

Manufacturer: **Pentair International SARL**

Avenue de Sévelin 20
1004 Lausanne
Switzerland

according to system 1+ with external monitoring for the following production sites:

- **2200 Herentals, Belgium**

Reference / confirmation:

It is hereby confirmed that the above mentioned product / component

- based on the certification program "D6 KTW-UBA dated 2019-04-16-Rev03" of the certification body:
„Kiwa GmbH, Gutenbergstr. 29, 48268 Greven“,
- the product information provided, including the recipe evaluations R20105, R20105-1, R20105-2, R20105-3, R20105-4, R20105-5, R20105-6, R20105-7
- the evaluation reports mentioned on page 2

fulfills the requirements of the assessment basis/guideline of the Federal Environment Agency (UBA):

„Conformity attestation of product hygiene suitability for drinking water“.

Greven, 12.04.2021

enhancement of microbial growth according DVGW
Technical Standard W270, November 2007

are part of the conformity attestation.

The recipe and specific product requirements are laid down in the for confidentiality reasons undisclosed 'appendix A' to this certificate.

The confirmation of conformity is valid from the date of issue and remains valid until 21.03.2023 as long as the conditions listed under "Notes" are fulfilled.

Notes:

The conformity attestation was issued under the condition that the starting materials used to manufacture the product or their composition and/or components, including their manufacturer and supply chain, were fully disclosed and no other substances are contained in the product.

The validity of this document expires in case of changes in the composition of the product or in the processing conditions not agreed with the certification body and in case of non-compliance with the conformity requirements as well as in case of termination of the 1+ system monitoring programme of the certification body and manufacturer.

The results of our audits and the assessments apply to the test items examined and the statutory regulations applicable at the time of the audit. This document may only be published or reproduced in complete and unchanged form without our express written consent.
